We have a couple ways you can pay your dues to make it easier to get them in on time. You can pay online by going to our website:

# The SOCIAL Circle

## Wine and cheese night

Thank you to Tracie Chene for opening her house to

host the night. There were lots of different types of wine and a delicious spread of snacks. It was so nice to catch up with old friends and meet some new ones.

## Upcoming Events

With all the uncertainty surrounding the Coronavirus and needing to physically distance ourselves from each other, the Easter Egg Hunt and Adult Night party have been cancelled.

As mentioned on the front page, our annual meeting is being postponed until further notice. Please stay tuned to Facebook and the website for updates.

We will try to keep residents updated on future social events as the information becomes available to us. We thank you for your understanding.

## Social Chair Position

If you are interested in being a part of the social committee, we have open positions. The board has recently approved for multiple people to head up the social chair. You do not necessarily have to plan each event or even attend them all. We need someone to delegate each event to someone willing to plan and run them. There are several events that are already being planned by volunteers. Board members will be there to assist in planning and running of the events as well. This is a fun position for someone who likes to coordinate and manage event planning.

## Membership

Dues payments are due by April 30th for the 2020-2021 year.

Please note: Past due notices will be sent out soon, please read your bill carefully as it will reflect our current records. Feel free to ask any questions or voice any concerns.

Payments can be sent to or dropped off at: 29969 Pipers Lane.

## Roads and Safety

With the weather getting nicer please be cautious while driving through the neighborhood; there will be more people out and about, even more so with more people staying home. Please watch for when people put out their kids-at-play signs as well, it's a pretty good indication kids are playing in the road since we don't have sidewalks.

## Hospitality

For the time being, Hospitality is leaving a neighborhood directory, welcome letter, and small welcome gift at new homeowners' houses versus stopping to greet in an attempt to social distance. If you have recently moved in and have not been welcomed yet, please email [hospitality@thekimberleyassociation.com](mailto:hospitality@thekimberleyassociation.com). We would love to leave you your welcome items. You have joined a great neighborhood!

## ARCHITECTURE

Curb side pick up of large household items, such as mattresses/box springs, refrigerators and etc., will be suspended as of April 1st. While regular trash and recycling will continue as usual, Simple Recycling pick-up of clothing is currently suspended. Yard Waste pick up was scheduled to happen the first week in April but that has been pushed back. We will try to update you when a new pick up date has been announced.

Check out this website from the CDC regarding proper ways to clean different surfaces to rid them of the Coronavirus.
