## Landscaping

Due to the efforts of Brad Wilson our entrances look amazing! A big thank you to him and his crew for a wonderful job. Also thank you to the many Kimberley neighbors who contributed to rehabbing the entrances this summer, including the residents of the properties at each entrance for providing water and landscape rocks to create borders. We also have brand new landscape lights at Westmeath and on Barwell as some of the electrical lines were damaged during the water main project. We will continue to plant a mix of annuals and perennials for next summer and plan to plant mums in mid-September to provide color for the fall. Please remember, a portion of your dues help to fund the beautification of our neighborhood entrances! Please contact Brad Wilson at [landscaping@thekimberleyassociation.com](mailto:landscaping@thekimberleyassociation.com) if you have any questions or suggestions.
