Home Power Education Forum

DO YOU HAVE QUESTIONS ABOUT WHAT TO DO WHEN THE POWER GOES OUT?

Have you always wondered how a portable generator or whole house generator can help to keep part of your house or your whole house running when an outage occurs?

If you have questions – this is a great opportunity to get answers!

Program Overview:

This 60-minute informal educational forum is designed to help Kimberley residents learn more about home power generation options, as well as understand what local power provider DTE is doing to improve grid reliability.

<u>Topics (15 min)</u>	<u>Speakers</u>
<ul style="list-style-type: none">• Power reliability in local area• Actions toward continued improvement• Communication & contact with DTE	Jacob Walker – DTE Community Affairs Director Simon Mourani – DTE Associate Program Manager
